MAGNIFYING JESUS CHRIST, THE LIVING TRUTH

2025 Strategic Plan

This document outlines the Strategic Plan of The Living Truth Fellowship (TLTF) for 2025. It provides an overview of TLTF's direction, with explanatory details for each topic and key bullet points.

Financial Overview

The Living Truth Fellowship (TLTF) operates entirely on the generous financial support of its donors, whose contributions make our work possible. Our mission is to provide resources, teachings, and fellowship opportunities that inspire spiritual growth and bless the lives of our constituents. To achieve this, we strive to build meaningful financial partnerships with individuals who are passionate about our vision and committed to supporting it. We take pride in offering all our materials free of charge, ensuring they are accessible to everyone regardless of their financial circumstances. For our published books, we only request the cost of printing, emphasizing our commitment to spreading truth without financial barriers. Every dollar we receive directly supports our efforts to create impactful resources and nurture a vibrant, spiritually enriched community.
