### **The Living Truth Fellowship Strategic Plan for 2016**

This document is an outline of the sixth published Strategic Plan of The Living Truth Fellowship (TLTF). As such, it is meant to provide the reader with an overview of the direction TLTF is going. A few explanatory sentences about each topic are included, as well as key bullet points.

TLTF's primary budget is based on donations. Percentages of funding (budget) will be set up in order to enable the Strategic Plan.

In order to action the Strategic Plan and meet the needs of the ministry, which do fluctuate, dedicated people are needed full and part time. In order for people to accomplish the work

4. **Pinterest** - To expand our social network, we now have a presence on Pinterest, which is a visual discovery tool that people use to collect ideas for their different projects and interests. People create and share visual bookmarks to do things like plan trips and projects, organize events or save articles and sharings.
5. **Fellowship Network** - We have five weekly and three monthly Internet fellowships. These are advertised on our website in our Calendar of Events as well as email reminders sent out to our mailing list.

7. **Online Store** - We opened our online store in December, 2011. It features materials that help people spread the Gospel. Books and audio and video teachings head the list, but we also have artistic Christian products, t-shirts, gifts, and more. We are always looking for more biblically based products.
