MAGNIFYING JESUS CHRIST, THE LIVING TRUTH

2026 Strategic Plan

This document outlines the 2026 Strategic Plan for The Living Truth Fellowship (TLTF). It provides a comprehensive overview of our ministry's direction, detailed initiatives, and key objectives for the coming year.

Financial Overview:

The Living Truth Fellowship operates entirely through the generous support of our donors. Our mission is to provide resources, teachings, and fellowship opportunities that inspire spiritual growth and enrich the lives of our global community. To sustain this vision, we cultivate meaningful partnerships with individuals passionate about sharing the Gospel.

We are committed to removing financial barriers to the Truth. Consequently, we offer nearly all our materials free of charge. For published books, we only request the cost of printing. Every contribution directly supports the creation of impactful resources and the nurturing of a vibrant, spiritually empowered community.

Leadership & Team:

The execution of this Strategic Plan is made possible by the dedication of our core team. The following individuals manage TLTF's daily operations and ministry needs:

- **Franco Bottley:** President / Chairman of the Board
- **Gary Lee Corns:** Vice President / Board Trustee
- **Marc Dickie:** Secretary / Treasurer / Board Trustee
- **Christina Bottley:** Social Media & Prayer Team Coordinator
- **Rosanne Martino:** Bookkeeper

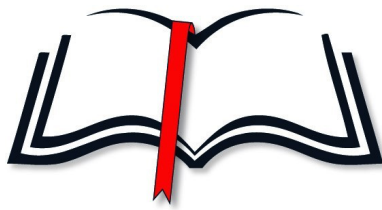

2026 Strategic Projects:

1. Digital Resource Expansion

- **Website Articles:** We will consistently update our digital library with new articles, primarily curated from our monthly newsletters, to ensure fresh and relevant content for our readers.
- **Creation Science Video Series:** We will expand our library of 40+ videos covering geology, evolution, the fossil record, and genetics. These resources emphasize intelligent design and demonstrate the harmony between scientific evidence and God as Creator.

2. Multimedia Outreach

- **Bible Vignettes:** Production of 5-to-10-minute videos addressing contemporary issues from a biblical perspective. Each vignette will include links to deeper study resources.

Encouraging Engagement:

- Participating in our weekly and monthly online fellowships.
- Engaging with our community via social media.

Our Vision:

At the heart of TLTF is a commitment to sharing the life-changing truth of God's Word. We believe that by proclaiming His Truth, we can bless communities and inspire individuals to deepen their walk with Him.

This mission is only possible through your love, prayers, and financial partnership. Your generosity allows us to serve with excellence as we strive to do our "**utmost for His Highest**." Together, we are making a profound impact for His glory.

In Christ's Service,
